

A WARM WELCOME TO CHURNET VALLEY LODGE NUMBER 8092.

Thank you for visiting our page, where you will find out a little about our Lodge of Freemasons.

We are based in the Masonic Hall in Cheadle, Staffordshire.

Our hall is in itself a very interesting building to visit, being the former Police Station and Magistrates Court. It was purchased in the early 1900's by a group of Freemasons and converted into our purpose-built hall.

Our meetings are held in the old Magistrates Court room, the toilets are converted from the old prisoner cells and the dining room was the former Police Station.

I'm sure you'll enjoy the atmosphere of the building as you learn it's history.

Churnet Valley Lodge was formed in 1966 and has always met at Cheadle. We are a small, friendly Lodge with members of all age groups and backgrounds. We meet on the first Monday of each month between September and May, taking a break during January as our meeting would fall too close to the New Year festivities.

If you are thinking of becoming a Freemason, you would receive a very warm welcome from our Lodge. Please accept our invitation to contact us on the email address given and we can have an informal chat over the phone, or if you'd like to meet up to chat over a coffee or a pint. We can explain what Freemasonry is, what you can expect from membership and what we at Churnet Valley Lodge do. You'll learn about our charitable work within the community and the friendship and social life we enjoy.

Our Lodge is named after the beautiful Churnet Valley, and our banner depicts Alton Castle and the river Churnet in its design. This valley is a source of great pride to the Moorlands and many of our members past and present enjoy its scenery and wildlife.

We very much look forward to hearing from you and are sure that if Freemasonry is something that you'd like to experience, you will find a warm welcome here at Churnet Valley Lodge.
